

Kolding, March 11th, 2022

Dear clients,

Due to the Russian invasion of Ukraine, we have seen **extreme** increases in fuel rates day by day. Consequently, we will have to start regulating our fuel surcharge twice a month. As always in the beginning of the month and then again in the middle, starting with a regulation on Tuesday, March 15th.

Please follow our fuel surcharges on the below mentioned links:

Olietillæg | NTG Continent A/S

Olietillæg | NTG East

If you have any questions, your daily contact is always at your service.

Kind Regards
